**MILENA AVAGYAN**

MS in Global Business and Sustainability

IENYC helped me clarify the type of career I want to pursue and navigate New York City's complex job market through resources, networking events, and mentorship.

**SALI ALKAABI**

MS in Global Business and Sustainability

Academically, the program pushed me to engage deeply with complex business concepts. Personally, it challenged me to adapt to a new learning culture and cultivate resilience in the face of high expectations.

**GILLES RAYNAUD**

MS in Global Business and Sustainability

From the SoHo campus to representing IENYC at the Federal Reserve Challenge, every moment defined a year of accelerated growth.
