

# IE VENTURE DAY POLAND 2026

## What is IE Venture Day?

A **unique event** that brings together **entrepreneurs, investors, and ecosystem leaders** for a day featuring:

- a **Startup Competition** (up to 10 finalists), and
- high level **presentations** from **top-notch speakers**

## Why participate?

IE Venture Day is a space that offers entrepreneurs:

- **Visibility and exposure to investors** (jury members), and **networking** opportunities with ecosystem leaders.
- **Prizes** for finalists and winner: scholarships for Lifelong Learning Courses (IE University), and benefits for a potential participation in an international competition (South Summit).

## Who can participate?

- Any startup **based or operating in Poland**
- With a **technological solution** to a public / private challenge
- **PreSeed / Seed** investment stage

## How to participate?

### REGISTRATION - deadline February 3rd, 2026

In order to participate in the competition you have to fill out the application form by February 3rd.

### SEMIFINALS - February 11th & 12th, 2026

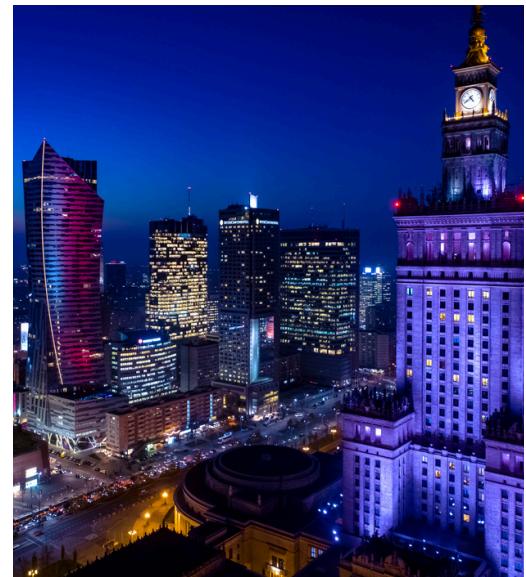

Up to 20 startups will be selected to move on to the online semifinals (pitch + Q&A).

### PITCH PRACTICE - February 20th, 2026

We will select up to 10 finalists to compete in the final event, these teams will have access to an online pitch practice session.

### FINAL: IE VENTURE DAY - March 3rd, 2026

Finalists teams have to attend in person to pitch their startup.
